I was shocked and saddened to hear of Roy's passing. Growing up on Canterbury Roy was right in the middle of all our boyhood adventures: Door knocking, apple fights, firecrackers, baseball, football, basketball, any other sport we could think of, and other assorted mischief, sunup to sundown. I always knew when Roy was headed over to play baseball because he would bang his bat on the sidewalk with every step.

My heartfelt condolences to Barb, Sharon, and Christine.

Godspeed Roy!
