“ Aunt Bobbie I can't form words for how much we love and will miss you. The strongest and most wonderful woman I have ever known and to be placed on this planet. Not only am I honored to be named after you but to have given my oldest daughter the same honor. She has suffered more loss, grief, trauma, and physical and medical diagnosis than even I myself have and she always set an amazing example for everyone, including myself most of all, how to always carry yourself with grace and dignity despite all that is negative in life, medically or physically. She had so much kindness, love and empathy even through her own cancer battle and helped me tremendously through my own cancer battle. She was a force to be reckoned with, an amazing example of a mother and a phenomenal perfect example of a great and respectable woman. I miss and love her dearly and will always miss her voice and compassionate words. Rest in peace Aunt Bobbie. So many are waiting for you.

“ Bobbie was such a soft-spoken, friendly person. Sadly, there will be an empty seat at our next luncheon date and her presence will certainly be missed. May God shower her family with strength for the journey.

“ Bobbie trained me when I started my job at the AAPD back in the early 90's. She was patient, helpful, and kind. She was always pleasant to work with and never had a harsh word about anyone....rest peacefully, Bobbie.

“ I worked with Bobbie and found her to be one of the nicest kindest individuals I knew. She was quick with a laugh and a smile and made others around her want to return her kindness.  
A lovely lady inside and out and always with a kind word.  
Greatly missed.

“ Bobbie is my mom's 1st cousin. Growing up, I remember Bobbie coming to Memphis to visit with her 3 sons. I was always so excited when they'd come. Bobbie was so beautiful and fun! She always wanted Leonard's BBQ. Her youngest son was closest to my age; my big sister and I loved hanging out with him. It always felt like I was on vacation when they were here, even though I didn't travel anywhere. Heaven just became much more fun with the addition of Bobbie.
