“ Carl was a favorite fishing partner of mine. We spent many hours on the Portage Chain of Lakes. One of our best trips was ice fishing on Fletcher's Pond in Atlanta Michigan. We worked together for many years at Mich Con. He was a dear friend and will be greatly missed.

“ Carl was a favorite Stadium Hardware customer over many many years, and a great and dear friend. Always a pleasure to be around when I helped around his house and talked about fishing and the old days of his growing up. He was a perfect guiding example of the person that I strive and try to be. Thank you for sharing your father with me, he was a great man. He will surely be missed. Mike Kruzel, and Stadium Hardware
