“ I worked with Deb for several years in the Huron HS Library and was saddened to learn of her passing. She worked enthusiastically with both students and staff; and shared a deep love of reading and books with everyone.
The accompanying picture of Deb with the beautiful horse is a lovely example of her smile and affinity for horses; she often spoke of her family, reading and horses.
My deepest condolences to the Talsma family.

“ Deb was one of the most helpful and enthusiastic librarians I have ever known. She loved books and knowledge and helping others gain access to both. She also had a great sense of humor and a fierce sense of loyalty to her friends. We will miss her at Pioneer High School.

“ When Deb was one of the librarians at Huron High School, during my tenure there, she was always smiling and had a laugh for everyone. Deb always was eager to help students and staff with resources they needed. She was a joy to work with and I have missed her infectious smile and laugh, and now will always miss it.

May you find peace as you make St. Peter laugh at the gates.

“ Deb worked as a research librarian for the US EPA lab in Ann Arbor in the 1980s. We shared many laughs and good times back in the day My deepest sympathy to her family and all whose lives she brightened

“ Ms. T, co-worker, and lover of books was always very kind to me. Whether I was in the library with my students, or we were discussing the latest book you just had to read, Deb always had a smile. She was very generous to me, I shall miss her.
