“ Condolences and sympathies from our family. As my son Jon said, "we were blessed to be in her family." She was always so gracious to share her home and time with us. We loved hearing her stories and were always amazed at her memory. Most of all, her faith in her Savior, and her commitment to a Christian life of love and caring were an inspiration and shining example for us! May all your wonderful memories give you comfort as you mourn her earthly loss, and rejoice in her heavenly gain.  
Love to all who loved her! Marilyn Bock and family

“ I always remember that she got a kick out of Danny and his pacifier when he was little. She talked about that for many years. :)
