“ Oh Iris, What a wonderful photo of Norman!!! In the short period of time we (the staff) on G wing have grown to know and love Norman, this photo represents the smile he would give us, the smile he would have when you walked down the hall to meet him. What a mischievous smile, filled with love, fun and adventure. I personally, will miss him tremendously. Love to you and your family, may you know that he is at rest now.

“ Dear Iris,

I am saddened to see the love of your life has passed. As was said above, Norman was such a gentle and kind man. The world has lost a force of good but the angels above are rejoicing as he enters the kingdom of our Lord. Prayers and kind thoughts headed your way.
