“ Dear Jim ~ Thank you so much for all that you did for your stepchildren. You loved our Mother so much that you married her and help raise three step children ages 10-14; our sister Judi at age 19 was just starting out on her own. Then came your daughter Debbie. Your athletic genes and the early formative years playing all sports with her two brothers and sister, I believe, led to Debbie's many athletic achievements. You were so proud to talk about her to the guys with whom you worked.

Thank you for your service to our country!

I am so grateful that we had the time together last Thanksgiving to reminisce about our many years together. I so looked forward to the times you and Mom came to visit all of us in California. And you certainly looked dashing as you walked me down the aisle when I married Tom.

May your soul rest in peace, Jim.

Love, Kacky
