“ Marie was a sweet and loving person. She was my neighbor when I lived in Pleasant Lake. She was always kind to our family.

“ I will forever remember the days when Erwin came to work at the hardware and not too long after Marie would make her way over and sit down in the shop and fill me in on the events of the area and what was happening in their life. Marie very much enjoyed interaction with young people that she met from various groups that she was involved with. She and Erwin were the cutest couple and enjoyed taking their annual trip to travel the state and sight see. Such fond memories of Marie and how much she enjoyed the collected nick nacks in her home.

“ Marie is a very special person to me. I have never known a person with such a big heart and loving spirit. When I had the priveledge of buying the hardware from Erwin, Wally, Marie and Tiema...all the love and support imaginable came with the deal. I had no idea I was beginning a journey that put so much added love into my life. Marie has missed Erwin so very much since his passing and if what they believe is really true, they are high-fiving each other and smiling from ear to ear right now. I so hope it's true. I send the family my heartfelt sympathy, prayers and thoughts. I know she will be missed. We are all lucky to have known her. Organ music, butterflies and her flower gardens....very fond memories. All my love. Lori
