“ One of the sweetest ladies I've ever met. Mary was a patient at an office I worked at in Waterford. Often after work I would stop and visit and we'd share a beer and great conversation. I was saddened by her move but it was truly the best thing for her. I visited her several times after her move and she always had a smile and great conversation to go along with the smile. She was so proud of her family and loves them deeply. My condolences to her family and friends. She was a special lady one I will never forget.

“ The dearest lady in the world, my Aunt Mary. I will always remember the kindness and love she showed me and my family. Ready to cook a meal, offer sweets, and even share a beer. (She would make me stay longer though till she thought the beer wore off enough so I could drive home). Aunt Mary never forgot my birthday, anniversary, and just when she felt like sending a warm message when she somehow knew I needed it the most. She was truly, one of a kind. The heavens have a new loving angel amidst them now.
