“ Mrs Authier was my (now 43year old) daughter's second grade teacher. She was kind, thoughtful and caring as well as being a very good teacher. She was responsible for helping my daughter love school and learning after a difficult first grade experience. I will always be grateful for her positive impact on my child. Sending thoughts of sympathy, comfort and peace to her family.

“ *I first meant Adele at Jensen school. She was one of the first teachers to welcome me to Saline schools. She was a remarkable teacher.*

“ *I first KNEW that I wanted to be a teacher when I was a 2nd grader at Jensen Elementary School. That was because of my teacher, Mrs. Adele Authier. I just heard of her passing on 10-14-23. Being in her class and getting to teach alongside her in my first years as a 2nd grade teacher at Pleasant Ridge Elementary was truly a blessing and honor. I think of you and will continue to remember you every time I ring that cowbell at the end of recess, just like you did when I was your student. Teaching is one of the hardest professions, but also one of the most rewarding. Thank you, Mrs. Adele Authier for being my inspiration to teach. May You Rest In Peace ❤️ My sincere condolences to your entire family who I know you loved so very much...another thing you made known to your students/colleagues.*
