“ *Al was a great man. I enjoyed when he called in a work order for Burwyck Park. I would check in with him and he was always smiling and joking and just enjoyed being a part of his community.*

“ *Al will be missed but his smile and wave as he walked the circle in the complex will not be forgotten. I will miss my walking partner.*

“ *Al was a loyal, reliable and hardworking supporter of our Burwyck Park Condominium Association. As a Board of Directors member for over 14 years he freely interjected his experience and willingness to help in any task or problem solving process in our community. We always seen him in action around our Association and at many U of M events and games where he volunteered his support services.*

Things won't be the same around Burwyck Park without Al. He was the first to greet new people when they moved in and always willing to help whoever needed it! He was devoted to his wife, Barbara and their two sons! I am so sorry for all the family as they grieve the loss of this special man! 🙏🙏

*" Vicki and I are very fortunate to have had Al's friendship these last twenty years. Words cannot express the loss we feel for our dear friend, a friendship that will always have a special place in our hearts and lives. We will cherish and remember all of times we shared at dinner dates, the get together at our homes and all the outings we had together with him and Barbara. Al was more than a neighbor he was a friend to all of us in the community. Burwyck Park was and is a better place because of his presence. Our deepest condolences to Barbara and the whole family for their loss.
