“ *The last time Mrs. Rogers called our office for work needed at her home, we spoke at least an hour about memories of the families and businesses that built Saline into the community it is today. Her creativity and enthusiasm for life will be missed by many of us. Mary Jane Ormsby*

“ *What an amazing woman she was! Alberta Rogers was always so full of life and so full of stories. I remember when she used to substitute teach in school. She actually read to us...and we listened. She always had such a bright smile and lilting voice. The world will be a sadder place without her. But she will be smiling down on us all. I'll know that every time the sun shines.*
