“ I have so many memories with Anita. She got us girls together many times and would share her love for life. We worked together for Malloy so long ago and she brought joy to all around her.

Anita and I worked together for several decades. She taught me many things and her joy in life and her children was contagious. I will remember her as she was during those years. Love and Blessings Anita. And my sympathies to Paul, Pam, and Shawna.

We worked next to each other for 10 years. She was the most kind and sweet person in the world. My condolences to her family.

I have known Anita for more than 50 years! She and her children were my neighbors so we carpooled and took care of each others children as goog neighbors do. I am so grateful to have had her in my life. Kindness was her #1 trait. She was always happy to see you! She liked to walk the trail at Hudson Mills Park and we spent a lot of time walking there and also walking for various charities. She was always supported of her friends and family. I am so sorry Pami, Shawna, and Paul for your loss!! Miss K
