“ Annamma was a good friend of mine. She used to communicate with me everyday through WhatsApp. I have never seen someone with as much perseverance as Annamma. Her words were very comforting and consoling. For the past one year, I was not able to message her but I always prayed for her. We had studied together for B.Sc Physics in CMS College. My sincere love and prayers to her family and loved ones. Sincerely, Ammal T Mathew from Kottayam, Kerala, India.
