“ *She will be dearly missed by all of the family. She was a sister to me always. I was only 2 when she and your dad were married, so she has always been a part of my life. Remembering the nights of sleepovers at your house growing up, & the fun we had.
Love you all, Margie*

“ Our hearts are heavy with sadness to hear of Anne's passing. We will never meet anyone with such compassion and love for everyone. She was such a role model. She was known as Grandma Anne to our grandchildren and never failed to send them cards on birthdays. Our visits were filled with laughter and special treats. We will always remember her hard hugs and laughter. She was our email buddy and remained alert and active till her passing. Anne and Buell were very special people and will remain in our hearts forever. May God give you peace in the midst of your tears.

“ I will always remember Anne as the "Kodak" lady. When I worked with Anne at UMI several years ago she always had her camera in her purse for all the events we had in Books and Collections. If you ever needed any pictures, Anne was the library resource for them. Anne was the mother hen of the department, always caring about each person and going out of her way to make sure you were okay. Anne was one special lady that touched the lives of many. My deepest sympathy to the family.

“ *Mrs. Kellogg was amazing. It was only in the last couple years that she voted absentee. And she voted every election. We all should follow her example. Great lady.*

Aunt Anne was special in so many ways and she made each of us feel special. And again ROLE MODEL is an extremely fitting title for her. She made me want to be a better person. To live a life like hers. To be so loved by all and to be INVOLVED in life right to the end. She transitioned seamlessly into the 21st century. I loved e-mailing with her, her love of family, her sense of humor, her independence, everything that made her Anne.
