“ *We met Anne and Glenn many years ago when we belonged to a Hallmark Ornament Collector Group..A delightful couple and always a joy to be with..always enjoyed going to their home for our Collectors Christmas Party..So beautifully decorated..fond memories of the picnics in their yard in the summer time too..and Glenn with his antique auto..I then met Mary their daughter while working in Real Estate. I am so sorry for your loss and our condolences to Anne's Family..We have many great memories of your family..*

“ *My dear sweet Auntie, you brought such beauty, joy and love to my life, and to all whose lives you touched. You were a second Mom to me growing up, taught me so many things, like how to knit which I have loved since I was 10 yrs old, to make German potato salad, kolache, so many things I still make and enjoy. I'll always remember the fun we had when you visited me wherever I was living... Wyoming, Ohio, S. Carolina, Georgia....you always came to see me. We shopped, cooked, played cards, and laughed together. I always think of you with your dimpled smile, one eyebrow raised and a twinkle in your eye....and your positive attitude. You charmed all you met, and loved unconditionally, and I feel so blessed to have been your niece and the recipient of that love and affection. Rest in Peace Auntie, I will remember you always and try to carry on your good example of love.*

“ *Auntie enriched the lives of those who knew her, and I am very grateful and blessed to be one of them. Memories abound, most especially beautiful smile, her positive attitude, her kindness and caring for others, her flair for fashion (she was always "put together"), her wonderful cooking and baking (everything was great!)....the list goes on & on. She was certainly well loved, and will be greatly missed.*

*A quote by William Penn comes to mind and seems appropriate:  
"They say love beyond the world cannot be separated by it. Death cannot kill what never dies."*

*With much love and fond memories,  
Kathy Roberts*
