“ *Arlene and I were friends since high school. Our young families grew up together. As senior citizens, we lived in the same park in Lakeland, FL. My memories from our life together are many and she will be missed so, so much.*

“ *My memories of Arlene are when she was in high school where she stood out as a cheerleader and such a friendly person. Later in life when her son Lee married Jane Bredernitz I got to know her better. What a wonderful person, She will be missed by all her family.*

“ *I met Arlene at Saline Hotel and then Leutheuser's. What a lady! A hard worker who enjoyed life and especially her family. She then was an FHA parent when Connie worked her way through the activities of FHA and even being chapter president. I loved her smile and desire to be of assistance in any way possible! My prayers and sympathy to Lee and Connie and the entire family---remember all of your precious memories with her!*

“Arlene both terrified and soothed me while waitressing at Luetheusers in the 70s. "We'll see how you do this week..." She was a firm task master and that's why the service there was exceptional and appreciated by so many customers. After that first week you became one of her kids and a welcomed part of the extended family. My favorite memories included Sunday morning coffee with the Luetheuser girls before opening the doors to the day. Cheers to you Big R. Mary Hunt
