

## Arthur John Weid

February 8, 1940 - December 9, 2019

Arthur John Weid, 79, of Manchester, Michigan, passed away peacefully at home on Monday, December 9, 2019 after courageously battling an extended illness. Art was born on February 8, 1940 in Ann Arbor, Michigan to the late Walter J. Weid and Janetta Parker Weid. He is survived by siblings Janetta (Don) Johnson and Walter (Trudy) Weid.

In 1957, Art married his high school sweetheart, Myrna Brown, and had three daughters, Lori Weid, Deborah Weid, and Rebecca (David) Brown. In 1968, he married Carol Poore and had son Jeffrey (Sue) Marlotty, daughter Danaelle (William) Crisp, and son Matthew Weid. Son Matthew preceded him in death in 1989. In 1980, he married Karen Weid at a chapel in Fort Lauderdale by the Sea, and she survives him. He is also survived by son Scott (Terri) Petersen. Daughter Diane Petersen preceded him in death in 2011. Art leaves behind 10 grandchildren, and 11 great-grandchildren who were his biggest fans, along with countless friends and family members who dearly loved him.

Art attended Ann Arbor High and graduated in 1958. He played on the football team and made long-lasting friends. He was very proud of never fumbling the ball once, and for winning the conference championship in 1958. He had a beautiful singing voice and sang in the Acapella choir for the Pioneers during high school. Art worked as a printer, and those in the business often described him as “one of the best color printer guys around.” Art was an avid UM football

fan and an overall sports enthusiast. In fact, he worked at the football games for over 50 years. Art also enjoyed bird watching, cooking, music and singing, golfing, and traveling to the Florida Keys each winter for over 30 years. Art passed on his love of nature to both his kids and grandkids. We will think of him every time we see a beautiful sunset, a bright moon, a hawk in flight, or a deer in the woods. His greatest legacy is his loving family, who will forever hold him in their hearts.

The family will receive friends on Wednesday, December 18, 2019 from 4:00 PM to 8:00 PM at Robison-Bahn Miller Funeral Home in Saline, MI for a celebration of Art's life. There will be a special memorial service at 7:00 PM with speakers, music, and a bagpiper to celebrate Art's Scottish heritage. We look forward to sharing stories and memories together. Memorial contributions may be made to the family c/o Deborah Weid. Envelopes will be available at the funeral home. Cremation has taken place. “ *I remember when Matt passed away. I called Artie to tell him how sad I was at Matt's passing, and to let him know that I loved him. He said to me, in the middle of his grief and suffering, and with an intensity that written words can't convey, "You hug your kids and tell them everyday that you love them, no matter what." I follow Artie's advice and remember how and when he gave it with every conversation and with every phone call with my kids. Every conversation. Every phone call. And a lot of text messages, too. I can remember being so angry with one or another of my kids that I couldn't see straight, and Artie's words would come to me, and, no matter how angry I was, even if I had to utter the words in something other than a tender voice, I would tell them "I love you." Best advice I ever got. I love you, Cousin Artie – you're home at last, laddie. Our deepest sympathies to your entire family and the clan. Love to all, Parker Lapp.*

“ My deepest sympathy to all of the family.. Art was a special guy that always had a smile on his face and a twinkle in his eye! He always made me feel welcome and I enjoyed the rounds of golf we played together. One of the few people that loved Michigan football more than I did. He will be missed, but the great things he stood for and the effect he had on everyone he touched will continue to live on. We owe it to him to honor his memory by living everyday to its fullest.

*As young newlyweds, my husband, Gary, and I spent a lot of time with  
Carol and Art. As a matter of fact Gary and Art had an apartment in  
Dexter and roomed together for a few months. I loved Art's smile and  
sense of humor. He could be a funny guy! Our sympathy to Art's whole
