“ I first met Barb when I started as a life enrichment assistant at Linden Square. Barb and I bonded over our love for things like movies and psychology. She was one of my biggest cheerleaders when I was starting grad school at Umich and was unsure of myself. I will miss Barb and her witty sense of humor and opinions about pretty much everything. She made all residents feel welcome and wanted, always inviting them to sit with her table for activities and meals. Sending all my love to Barbs family and friends. She will be dearly missed. - Danielle Karwowski

“ I am very sorry for your loss. Barb lived next door to me and we became very good friends. She was always thoughtful and very kind. She loved to go on day trips, and we even went on a cruise and always had a lot of fun. We joined an art class and she became a great artist. I will truly miss my dear friend.

“ I am so sorry for your loss. Barb loved doing her colored pencil art projects and was always willing to try something new. She especially enjoyed drawing the people and pets that she loved. Lunches out with the girls? Barb was always up for that! She was kind, caring and gracious. She will be missed

First met Barb when she joined our Red Hat Group at the senior Center. She was always ready for a day trip and lunch. She also took up colored pencil art and did a terrific job. I am so sorry for her family and friends loss. Rest In Peace Barb. ❤️

*My cousin, Barb, was a kind and caring person. I will miss our family reunions where Barb would always ask about my kids and grand kids with genuine interest. My thoughts and prayers are with Sue and Greg as we mourn the loss of Barb.*
