“ *I am very sorry to hear of Barbie's passing. I worked at Saline Community Hospital when Barbie worked in dietary. She was the life of the party! She was such a genuine and happy person. We all loved her and looked forward to eating in the cafeteria. If time allowed, she'd come out from the kitchen to talk with us and of course, we all laughed like crazy! She was a wonderful, caring gal.*

Nicole, My heart aches for you! A very sad loss for all of us. Albert & I were so happy to share our summer visits with Jim & Barb.

Feel bad I will never see them again! Your Dad's dry humor & Mother's infectious laugh.

Love you & the boys,

So sad about aunt Barbs passing. She was always so welcoming and happy to see you. Her personality was larger than life, and she was a lot of fun to be around. She was always supportive and loving, and would do anything to help. Her sense of humor was tremendous, and leaves so many good memories.

I will so miss visiting her and uncle Jim, they were the best and I will always remember them.

love and respectfully,

Albert Erkkila
