“ *Grandma was anyways there for me. I could tell her anything  
without fear of judgement. I remember her saying, "Well honey you  
know..." before countless life lessons.*

“ *My mom loved the Lord above all but next came her family. I am so  
blessed and extremely proud that she is my Mom. Have so many  
awesome memories. Her love made her who she was her heart was  
as big as the sky I will never know how it fit in her tiny little body. My  
love for her is endless. I know that she is living it up there in Heaven  
and for that I find peace.*
