“ Betty was always willing to fill-in as hostess of bunco parties. She kept her home nicely decorated for the seasons. She was so full of life and zest, so gracious and fun loving. Keep them smiling up there Betty, till we meet again.

“ Lots of great memories with Aunt Betty. After grandma and grandpa passed her home became the hub of holidays and family get togethers. Always will remember uncle Bob with the two tv's one on top the other with different football games on. She will be missed. Condolences to all.

“ Betty was a sweet neighbor of ours for several years on Marion Ct. A fond memory was that she helped inspire my love for quilting! She recommended a teacher, helped me when I got stuck, praised the outcome, and even helped me to donate a quilt to a battered women's support organization. Her kindness in the world will be missed.
