“ *Delightful, incredible and kind is what comes to mind. Precious and rare like a gem. The voice of an angel as she preached the Good News to me. Always there when I called extending an ear no matter the problem giant, big ,itty bitty or just small. We cried, we shared secrets, we had nothing to hide. We'd laugh so hard, we had no pride. All I can say is my best friend has gone away. I hold on to the hope that we will resume on resurrection day.*
