"Burne K (Bud) (Kay) (BK) White, D.D.S. Born June 27, 1921 in Lapeer, Michigan. The future was bright, with white male privilege, U.S. citizenship and an accepting family. Attended Albion College, Bayview Summer School, Wayne State University, University of Michigan Biological Station. Studied at the University of Michigan School of Dentistry. Served the Navy in the Pacific during World War II. Married exceptional wife Phylis Roberta Eggleton in 1946. Phylis survived and survives. Grandchildren include David Paul (Leah Knickerbocker), Laura Paul Parmalee (Tony), JT Knight, Allie and Nadia White. Eva and Rebecca Paul are great-grandchildren. BK was a member of the First Baptist Church of Ann Arbor, ACLU, ADA, ACBL (Senior Master), Comic Opera Guild, Ann Arbor Civic Theatre, Choral Union. Holding authorities accountable was his lifelong passion. Fare-thee-well to all whom I leave behind. I hope that I didn't hurt you in any way. Life is a gift to be savored. It is not of your making, so make the most of it. You get one turn, so pay attention. You will find that you receive more than you give, so share toys. Reach out where you are able.

Someone is hurting more than you are. To family and friends, loved ones and acquaintances, thanks for a great time.”

“ *I just cant believe that he is gone!!!! I have known Dr. White since I was a child, and he gave me a job in his office while I was in High School....always treated me like I was one of his daughters!!! He was a wonderful, lively, enjoyable person....sent me music that he wrote, and when my husband died, he sent me the most beautiful letter! He will always be remembered by me! My prayers and thoughts are with you all at this time..I am so sorry for your loss!!!*

“ Dr. White was my dentist and my sons’ dentist for years. They grew up thinking going to the dentist was a wonderful social and learning event. His office didn’t have doors with frosted glass “windows” – in fact there weren’t doors – just archways. He never was too busy for their questions when they wandered in and out while my mouth was being worked on. He had such a gentle manner and a wonderful sense of humor. After he retired, we enjoyed reading his letters to the editor in the Ann Arbor News and shared them. When email became prevalent I found out his email address from one of his friends and was so fortunate when he added me to his email list. My whole family and many friends enjoyed reading his essays. I will sure miss him. He was an interesting man and such a nice man. To his family – you were blessed. Please accept my heartfelt condolences.
