“ Caroline was a great neighbor on 10th Street in my early years. I used to walk in to her home unannounced and help myself to her great cooking all the time. She even got me a part time job with her at the Tecumseh Country Club, her second job. We had such good times there. I have many a fond memories of her and Melvin, Mary, Connie, Kathy and Jim..... She always made sure the girls rooms were decorated nicely...and great food...and then there was a beautiful baby-blue crushed velvet sofa and love seat she bought. I remember thinking it was the most beautiful thing I'd ever seen. If I remember one thing about that household, was how much Mary made her laugh. She got such a kick out of her, as we all did. And that white dog, I can't remember it's name. It was a great loving household that always made me feel like family. A few years back I paid an unexpected visit with Caroline at her home in Saline. I hadn't seen her in many years. She was in such shock...she kept saying "Who is this? Who is this?". I said, "It's Ricky the neighbor boy". She busted out laughing and we had such a great visit. The whole family is in my thoughts today!!!!

Fondly
