“ Jonathan and I have very fond memories of the occasions, albeit a few, we spent with Cathie, along with Jim. I know Cathie loved spending time with all her family, both in the States and the UK. My late husband, Bill was extremely fond of his older sister..... at least they are now reunited forever! RIP.

Jim, Vicki and Chris and all the family you will be especially in our thoughts on 22 May.

Love Gillian & Jonathan x

“ We have so many great memories of Cath. So many good times at the lake, bowling and get togethers. I loved hearing her talk and loved her great sense of humor. She was thoughtful and kind, never forgot a birthday and was always there to lend a helping hand whether it be to make food for a wedding or grad party. I remember one year at the lake when we had friends up for the weekend she made an entire turkey dinner. We will forever cherish our fun times together. My life was richer having known her. She truly was a great person and an awesome friend.

“ I'm sure Cath is entertaining the angels above, as she watches over Jim & her beloved family members below. May they have haggis in heaven! Oh that's right, you never liked that stuff! I always had to mess with you somehow! RIP Cath!

“ I bowled with Cathy many years. She always had a story to tell. I enjoyed her humor. I remember the raisin skit their team did at one of our banquets. It was a riot. My sympathy to Jim and family.
