

Cecelia J. Jones

April 6, 1939 - March 18, 2024

Saline, MI- Cecelia Jane Jones, 84 passed away on March 18, 2024 at Hampton Manor in Whitmore Lake, MI.

Cecelia was born on April 6, 1939 in Jamestown, NY to her parents Paul Norman Laverne Jones and Jane Louise (Berg) Jones. She was preceded in death by her parents, her brother, J. Peter Jones (2010) and her son Christopher Nelson Jones (2015).

She is survived by her former husband (Thomas N. Jones) and their daughter and daughter's family: Ellen Louise (Jones) & John Codere of Ann Arbor, MI and beloved grandsons James Paul Henri Bernard of Pittsburgh, PA and Matthew Jones Bernard, of Minneapolis, MN. Cecelia is further survived by her sister Martha (Jones) and Charles Thompson of Lehigh Acres, Florida and nephews, Ian Thompson, Aaron (Jennifer)

Thompson of Lehigh Acres, FL, Peter (Beth) Jones of Suanne, GA, niece
Melissa
Jones of Ft. Lauderdale, FL and great-grand nephews and nieces.

Cecelia graduated from Southwestern Central High School in Jamestown, NY
before
attending Ithaca College. Cecelia always spoke so fondly of her childhood in
Jamestown, NY where she was surrounded by a large extended family and
was
involved in many activities and sports growing up. She shared stories of being
a candy
striper and working at a department store wrapping presents, which explained
why gifts
from her were always beautifully wrapped. She even found work modeling in
her young
adult life. Over the years, she was called various versions of her name: Ceil,
Celia,
Cindy, returning to Cecelia in the last few years.

While attending Ithaca Cecelia joined Delta Phi Zeta. It was at a joint party
between her
sorority and the Chi Phi fraternity from nearby Cornell University where she
met the
man who would bring her to Michigan. Cecelia graduated from Ithaca 1961
with a
degree in Education before marrying in June of 1962. The young couple
returned to
Tom's hometown of Ann Arbor, where they had their children before moving to
Saline.
Cecelia lived in Saline for 50 years.

Cecelia retired in 2006 from Lincoln Consolidated Schools after 37 years of service.

Cecelia thrived as a physical education teacher and worked with thousands of children

in her long career. She was a strong advocate for the LEA, the local teacher's union

and the district. She coached synchronized swimming in the 1970's and was a mentor

to many student teachers over her career. Of all she accomplished, she was most proud

of working on a state-wide curriculum for physical education in the 1990's.

Cecelia was

not only an excellent educator, but also a lifelong learner and avid reader. She was a

curious person, always encouraging her children and grandchildren to ask questions.

During their marriage Cecelia worked with Tom to raise and show German Shepherds.

They were well known in that community for their AKC champion dogs and as breeders.

After her divorce from Tom, she pursued other interests like earning her real estate and

property appraisal licenses then working part-time for Spears and Associates in Ann

Arbor. Cecelia took flying lessons, almost completing enough hours for her pilot's

license. She volunteered at SafeHouse in Ann Arbor helping victims of domestic abuse

and even found time to help her friend Peg Long, of Saline Flowerland make

floral

arrangements during their peak times of year. Cecelia had a keen eye and enjoyed making beautiful things, whether it was setting the perfect holiday table or sewing the best Halloween costumes for her grandsons. She always applied her talents to things she could share with her family and friends. She was a gardener and a terrific home cook who could can and bake. She knitted and sewed, and in general, loved to craft and collect. When her grandson Matthew showed an interest in baking cakes, Cecelia/Gama, set up a cake shop in her own home, complete with everything he would want or need to bake whatever cake he had the imagination to make.

To have known Cecelia was to know how devoted she was to her children and to her grandsons, James and Matthew. She was completely involved and loved every moment she had with them. She was their greatest cheerleader until the very moment she passed. For James and Matthew she added magic to their childhoods in the way only a Gama could, giving them space to play, explore and have adventures. She even volunteered and worked at Matthew's Montessori school, Daycroft in Ann Arbor, MI. There is no doubt out of all the jobs and activities she ever did, being a grandmother was her favorite one.

Cecelia will be missed by her family, extended family in Illinois, her friends and all the wonderful caregivers she had in recent years who touched her life. Thank you to all of you and a special thank you to her dear friend Marge Wojcik who gave her a friendship she never expected in her last few years.

“ We so enjoyed Cindy and shared some beautiful holiday celebrations with her. I remember how much she loved beautiful table settings, all the festivities of special gatherings and being with the people who love her the most. It was incredibly touching for me because I lost my biological mother decades ago. Her company made the holidays with her, her daughter and her grandsons feel so meaningful and generational to me. We will miss Cindy so much and will remember her always with love and fondness.
