“ Cheryl and I started in nursing school together in the fall of 1963. We immediately formed a friendship that carried us through marriages, children, divorces and our professional careers. Cheryl was a kind sweet person. I will remember her knitting and needlework that (in my opinion) were the best I had ever seen. Those lucky babies at St Joe's!!!! We didn't get together often anymore but always managed a lunch together for our birthdays. I will miss her and I know she is with her savior. She has enriched my life with our friendship.

“ When our family moved from an apartment to our home, Cheryl was the first person to welcome me to the neighborhood. We became good friends. I knew I could always count on her. We joined an evening exercise class at the old Saline High School. One evening it was so icy that we decided to walk rather than drive. It wasn't far from where we lived. But I couldn't stay on my feet, because it was so slippery. Cheryl took my arm and pulled me all the way to the High School. We laughed a lot that evening. We enjoyed some good times together. Cheryl was a Godly friend and I am looking forward to seeing her one day. June Robinett

“ Cheryl was a cherished member of our Bible Group for many years.
Through God's Words we
Shared laughter as well as tears but learned to
Trust that God was always in control.
We will miss her smile and her joy in sharing her insights but know
she rests in the presence of a Loving God.
Her memory will have a mark in each of our souls. ❤️

Cheryl was loved by her numerous first cousins of the Dexter/Ann Arbor Steeb family. We have cherished memories of our many reunions and other get togethers. May she rest in peace.
