“ *A shining light taken out too soon. Being neighbors for 50 years, our whole family is so saddened by Cindy's death. Ted and I will mostly miss her smile and cheery wave as she drove by when we were sitting on our front porch. Our hearts are breaking for the Elmer family, her children and her friends. “ I babysat Cindy and she babysat my kids. I lived in the same neighborhood for many years. My nightly walks always included stopping by and chatting. Elmers were a wonderful family and neighbors. And then when it became Cindy's home it was so cool to see her start her family there. I can't imagine what Norma, Dave and the kids are going through. My heart is heavy and the world lost an amazing person that night. Fly high beautiful lady, you will be greatly missed. My love and prayers to the family.

So sad. I had the privilege of getting to know Cindy better during wrestling in HS and she truly was a bright light. That smile on her face was a permanent smile. She was the most positive happiest person I had ever met. I'll never forget when my son asked me if I was ok with him going to ride a bull with Matt . I thought of course mechanical bulls big deal. Then I got a text with video of my son riding an actual bull from Cindy and I freaked out. Called her right away and she couldn't stop laughing at me lol. She truly was an awesome person. So sad that someone just took her away from so many people that loved her. RIP beautiful soul. 💔
