“ *My name is Gusta McMorrow, I live in Ossining and met Mr. & Mrs. Cruze through my work at H & R Block. I always looked forward to seeing Mr. & Mrs Cruze it was a yearly reunion of shared family stories and finally working on their taxes. Mr. Cruze was a lovely gentleman I remember him fondly and am sad at his passing. My condolences to the family, I am sure you will miss him a lot and I hope you will look back at the good times you shared.*

“ *Clark was one of the first men I met as a nominee to join the Point Senasqua Rod and Reel Club (Fish Club), in Ossining, NY. He was so engaging, and asked many questions about flying and air travel (I was a UAL 747-400 Captain). He was just interested in every aspect of someone's life, and made me feel important, and part of the Fish Club immediately. Clark was a real gentleman, and I will miss him very much. My deepest condolences to the entire Cruze family. Michael Perry*

“ Clark and Nettie were living across the street when we moved to Ganung Drive in 1983 and were our good neighbors for about 30 years. They were kind people we could turn to in an emergency, and Clark was always a source of stories about growing up in Ossining, including sledding down the Ganung Drive Hill and going to high school with Peter Falk. We have missed them since they moved, and are very sorry to hear of Clark's passing. We send our most sincere condolences to Clark's family.
