

Clinton Carl Johnson III

April 6, 1957 - June 6, 2026

Clinton Carl Johnson III, better known to family and friends as "Skip," passed away on Saturday, June 6, 2026, at the age of 69.

Born on April 6, 1957, in Ann Arbor, Michigan, Skip was a lifelong resident of Saline, where he built lasting friendships and created countless memories with family and loved ones.

Skip was a dedicated man who took pride in providing for his family. He spent 25 years working as a machinist at R&B. Later in life, he became a truck driver, a profession that allowed him to enjoy the open road and see even more of the country he loved.

Skip lived life with a spirit of adventure and a genuine appreciation for the journey. He loved to travel and spent years exploring the country, making countless trips and seeing places from coast to coast. Whether visiting a familiar destination or discovering somewhere new, he was always ready to hit the road. The kids would often joke that he was the "Human Google Maps." Somehow, he always knew the fastest route, the best detour, and probably a shortcut no one else had ever heard of.

A lifelong fan of classic rock, music was a constant companion through his life. He was also an avid coin collector who valued the history and stories

behind each piece. On Sundays, Skip could often be found watching NASCAR, faithfully following the races and enjoying one of his favorite pastimes.

Above all else, Skip loved his family. He was a proud father and grandfather whose greatest joy came from spending time with those he loved. He especially cherished his grandchildren, Aiden, Zella, Jolei, and Carl- and took immense pride in watching them grow, share stories, laughter, and special memories together.

Those who knew Skip will remember his adventurous spirit, his joy for living life to the fullest, and his larger than life personality. More than anything, he will be remembered for the love he had for his family and the many memories he created throughout his life.

He is survived by his sons: Clinton Carl Johnson, IV. (Amy), Jay Johnson (Allyse), and Scott Johnson (Nicole) his beloved grandchildren: Aiden, Zella, Jolie, and Carl; his brothers: David Johnson (Laura) and Richard Johnson; nieces: Melissa, Amanda, Natalie, Natasha, and many other relatives and friends who will cherish his memory.

He is preceded in death by his Mother and Father, Louise Wackenhut-Johnson and Clinton Carl Johnson, II.

Though he is no longer with us, the memories he created, the stories he shared, and the love he gave will remain in the hearts of all who knew him. He will be deeply missed and forever remembered

“ my heart hurts for you all. So many good memories growing up, from camping, Years of prethanksgiving thanksgiving dinners, to him watching all the stupid stuff we did on the block. laughing at our antics and telling us the stupid things he and my dad did growing up. I can hear his “Hello” now from the many years of walking in and peaking around the corner knowing he was in his chair watching tv, with his pepsi, just waiting to see what one of us were going to say hi. laughing at my “Uncle Skipper” hellos. How he put up with all of us growing up, I’ll never know. He was the most laid back, genuinely happy man. I will forever hold the memories with him in my heart. I love you boys, something fierce, my “cousins”.
