“ I went to college with Dale. We had only reconnected lately. He was just one of those people you could not forget. May he rest in peace.

“ Dale was kind and gentle man with a generous and giving nature. He touched many lives with the hours of volunteer time he donated to work in classrooms and in his community. His smile would light up a room and he was always positive no matter what the situation. I was blessed to have met him and to have had him volunteer in my classroom for a couple of years. He will be greatly missed. My family sends prayers and condolences to his family during this difficult time. With Sympathy, The Alig Family
