“ *The pictures may fade, but the memories will live on! 💕
One of my favorite memories was going to Drummond Island with the Schultz family, back in 1981. While going on a little hike, Mr. Schultz broke out into the "Curly Shuffle." 😊 He was cracking up because he knew he was embarrassing me & LeeAnn. Lots and lots of great memories growing up next to the Schultz family! Rest in Peace Mr. Schultz. Pamelinski*

“ *My handsome, funny cousin with a heart of gold, who is now no doubt riding in a brand new pick up, the chrome bling shining brightly, gloriously in the sun, him smiling from ear to ear. Rest in peace, my cuz.*
