“ *We have ever met but I "know" you from 11:30 mass at St. Andrew's. I observed the tender, loving care you gave your dear son and marveled at the infinite patience it must have taken to see to his needs. I prayed for all of you each night. God has taken a precious soul with whom you will -- without a doubt -- be united in heaven. God bless you.*

“ *Kathy and Paul,*

I have fond memories of working with you and Daniel back in your Kalamazoo days. He was a special boy and you undoubtedly took very good care of him over these past many years. It seemed he was always ready with a smile. Thinking of you all and sending my love and prayers.

*I remember the early years with Danny at Croyden School as I was his school nurse. He had a wonderful smile with a great laugh. I enjoyed caring for him and missed him when he moved away. I also remember how special and supportive Kathleen and Paul were as we developed a plan of care for Danny
My deep condolences to his family

“ *Daniel still brings a smile to me whether from his photo, remembering countless times of watching Angels in the Outfield with him or just the warmth of his whole family. Even driving by your old house in Kalamazoo still brings about rich memories. May you all be comforted and feel peace from our Heavenly Father and extended friends. Anita Ollila*
