“ It was a surprise to see that Daryl has passed. Seeing the picture and reading the obit. brings back so many happy memories of the time I was blessed to be able to fellowship with Daryl and the family. The Wiedmann family was an example of a fine loving, serving family willing to serve the Lord in whatever way they could. Daryl was no exception and the training the children had from their father and mother showed as they put their effort into service. It is a blessing to me to have experienced the times we had together. They were upbeat encouraging people and I thank God for the blessings I received from each of them. I am involved in a funeral tomorrow morning and preparing food, doing music, etc. so I have been unable to come to the viewing or service but I will be praying for you during this time. God's timing is always right and He knows the best time for His taking us home so we rejoice in knowing this parting is just temporary. The reunion when we will all be "whole" will be "something"! It could be less than one heartbeat away. Even so, come Lord Jesus. I look forward to seeing you again. Richard Hunter
