“ So sad to hear this news, our families got to spend some great times together through softball and Dave had the best smile and warm personality. To Brooke and her sisters, your Dad was a special person and his bright personality will live on through all of you. I'm so sorry you had to lose him at such a young age, life is not fair sometimes and hard to understand. Keep each other close to help get through these difficult times. You are in our thoughts and prayers. With a heavy heart from the Boote Family, David, Monica, Rachel & Aidan.

“ *Dave Robison was such a loved man by anyone he ever came into contact with. I can't remember a time when he didn't have a warm welcoming smile on his face. Growing up with his 3 girls and getting to spend time with him not only at home but throughout so many years of softball games will be memories I will forever cherish. He was a friend to my whole family and will be dearly missed. My heart and prayers go out to his 3 beautiful girls and the rest of the family.*

“ *Coaching softball with Dave was a great experience. He was a dedicated father to his girls. Had many great times with him during high school games watching the girls play softball. He was always willing to stop what he was doing and talk awhile and give you that big characteristic smile. His giving spirit will be missed by many. Prayers to all the family and friends during this most difficult time.*
