“ *Aunt Kim, Rick, Doug and families,*

We were all so sad to hear that Uncle Dean had passed away. Pat and I just chatted with him about 6 months ago and as always, he made us laugh, caught us up on all the Morton news on the family and gave Pat his usual razzing on his nickname of "Scottie". I am sure Jack and him are sitting at a table right now, having a beer and shooting the breeze about their past and the good times.

We are sending you big hugs from Canada and want you all to know you that you are in our prayers. And Uncle Dean holds a special place in hearts, filled with love, as do you all. Please keep in touch with us.

*Love always, Debbie, Pat and Jesse xo

“ I am sorry to hear of your passing. We should have been in better communication in these late years of our lives. I still put flowers on your parents graves as well as my grandmother (nee Patton) and mother (nee Warner) next to them whenever I make it back to Michigan. Rest in peace, Dean and condolences to your family and friends.

“ Rick, Doug & Kimmy,

We are very sorry to hear about uncle Dean's passing.

Words are poor things when we suffer the loss of a loved one. Still we want to convey our desire, however inadequate, to offer consolation.

Please accept our deepest sympathy for you and your family in your bereavement.

“ *Very saddened to learn of Dean's passing. Saw him daily for many years when he would come thru the Saline Plant Security office. He always made us laugh and I always enjoyed his sense of humor and wit. I wish the family well and want to express that this man touched many peoples lives and is remembered fondly. All my sympathies.
Sincerely, Angela Pelham*
