“Denise and I would work doing flowers for her wedding business. We would work until it was done, sometimes to 3:00 am! She was always so excited about her designs and colors for the weddings. She really loved it. We'd make balloon arches and put up columns and walls. She would climb up the 14 foot ladders to hang ribbons and baskets with flowers from the ceilings. Denise was extremely gifted in her art of design, I admired her gift of confidence in her designing. She also was so much fun to work with, We always laughed and enjoyed the work, the setups and the reward of seeing the entire room transformed. She was a hard worker and always did a beautiful job. She was a vibrant woman, She loved her family and the Lord. It breaks my heart to know how bad she suffered I know she is in heaven. No more pain. God bless her and her family. you have my heart.

“ I worked with Denese at Lear Corp. She was a wonderful person. I knew that right away. So soft spoken, gentle and ask a lot of questions. You see I trained her in the Quality department. She was very polite, sweet and will be missed very much. My heart hurts for the family. Rest in peace my friend. I know your in a better place. No pain, no sorrow. Prayers for family and friends. God Bless. Gone but never forgotten. 🙏🙏🙏😊

This picture looks so much like her mom. Our families were friends when we were kids but then we moved to Grand Rapids and we'd only see her parents occasionally when we were in town. We also used to play in their basement while our parents visited upstairs. I remember once Dennis (her dad) brought us a whole box of Twinkies which we froze and ate for months. I'm so sorry for your loss.

“ *Lots of memories as a kid growing up going to the same church and school. We spent many Sundays either at the Steuben's house or the Richards just visiting. We would play hide and go seek with our brothers and one time in the basement we had kissed so I always said we were kissing cousins. Went on many Church outings as kids together and church campouts. I miss those good old days rest in peace Denise love you.*
