“ *Diane was a woman who knew what she wanted and knew how to enjoy life in the surroundings of her entire family. She gave much of herself in serving others, and was always done through the grace of God's gift of 'compassion' in her. Diane loved her husband and children and showed it through her unselfish sacrifices as long as I knew her. Her life became even more robust when she & Ken became grandparents. There was nothing she wouldn't do for her beloved grandchildren and they loved her dearly. I love Diane for her simplistic, honest, humble, and unselfish character. I only had the pleasure and honor of knowing Diane for 10 years, and these most recent years were the most cherished. Diane, I Love You, and I am elated to know that you are celebrating your new "perfect" life in the presence of our Lord & Savior. I will miss you here, but look forward to the day that I can once again see you, in a peaceful eternal life.*

*Lovingly,  
Karen Klemm*
