“ *Uncle Don was a truly living man to all of us in the family. Our heart is very sad at this time but know that he is now at peace. He is spending time with all of his siblings as well as our dad Larry Bodle now and they are already into mischief we are sure. Much love, hugs and thoughts to Denny, Bob and Carol from all of us in Oklahoma.*

We visited Don the last two years. It was so special to hear “well what do you know” when we walked in the door. He still had that ornery look in those beautiful blue eyes. I’m sure there is some serious welcoming from his parents and his brothers and sisters. Uncle Don we will miss you but know that you are not hurting any more. Rest In Peace dear one.

*The times we had. The things I learned. I am forever grateful. Now you're on the next journey. Try to behave yourself
