“ *Don was a most unique individual. His dry sense of humor and quick wit made most conversations an experience to remember. Members of our family received good counsel on academic and other matters. To Tonya and Alicia please accept our condolences. My guess is that wherever he is he's saying "I did it my way" He will be missed.

“ *Don loved people! Over the years, as a speech therapist with the Ann Arbor Schools, he helped many students. He liked the kids and was there for them. As a colleague he not only brought humor to staff meetings but helped us appreciate each other. After his retirement, I loved bumping into Don at Briarwood where he always took time to talk. Our conversations were witty and always left me smiling inside and out. Don was a special man who touched many lives. He will be remembered and missed. - Georgiana Siehl*

“ We were shocked to hear of Don's passing.....I had seen him at the Mall just a few days before. He always had something interesting to say/comment on. Sherry worked with him back in the 90's at Pittsfield Elem. School....he always made our spec. ed. meetings more lively & entertaining when he was there. Enjoyed talking to him at Briarwood, where we called him the "Mayor of the Mall" because he seemed to know everyone there....couldn't miss him w/ his ponytail, Hawaiian shirts, shorts (for most of the year!), & cup of coffee in his hand. The world will be a lesser place without him.....Cliff & Sher Murphy

“ The staff at Saline District Library are very saddened to hear of Don's passing. He came to the library every day to check out magazines and books and to converse - and joke - with the staff. He will be sorely missed - most of us can't imagine a day without talking to Don! Our sympathies go out to daughters Tanya and Alicia.

“ I know I will miss his wonderful sense of humor. He was always sure to stop and say hello on his walks and had a knack for making anything funny. He is surely irreplaceable and it will be hard knowing he won't be coming down Macys aisle to brighten our day.

“ I have spoken with Don, at M-Den Briarwood, almost every day since this past June. He would stop in and say, "Hi Coach." He would tell me a joke or two and move on with his walk. We worked together at Pattengill for a number of years. I am grateful that I talked with him about prayer. I pray that he is with Our Lord in heaven. Sincerely, Paul Test

“ I met Don years ago at Saline Community Hospital where I worked as an RN and he attended meetings. He would share anecdotes on various subjects with me. Anytime I would see Don in town or at the mall, he'd say something that would make me laugh or give me a compliment. He was quite forth-coming about some of his issues. I will miss seeing him and his bright blue car at My Favorite Café, The Drowsy Parrot or Brewed Awakenings. His wit and humor, interesting hats and ponytail will be missed by many, I am sure.

“ I'm very sorry to hear of Don's passing. I have shared many cups of coffee with Don at the Drowsy Parrot in Saline. His sarcasm and sense of humor were always refreshing on a Sunday morning. He will be missed by many.
