“ *My condolences to Donnie's sister Sandi and her family, to his special friend and companion Chris, to his children Valerie, Donnie, Raymond and Brianna and their families. Although we have been living miles apart for many, many years, when we would see Donnie (as his Pittsburgh cousins still call him) it seemed like the separation of time was days and not years. He was fun to be around, and we could pick up as though we saw each other the day before. The last time we saw him in Pittsburgh for his mother's (my Aunt Peggy) funeral Donnie insisted on pictures with all the cousins - what a great memory that made. Donnie loved the bling and the gab--he was one of those fellows who knew a little about a lot so he could talk to you about anything :-) I will remember him always with much fondness. Rest in peace Donnie. Your cousin, Chrissie.*
