“ *Luana and family,
I want to offer my deepest condolences to you and your family during this difficult time. I hope the memories you hold dear will help bring you comfort during this sad time.
Don (Le) will truly be missed by many of us here at EHM.
Luana, other than my mom, you are the strongest and most devoted woman I know! Le is finally at peace and would want you to live your best life! We have talked about this but please take the time to do the things that make you happy - and stay active! I'm sure going to miss seeing you every day. I'll reach out soon.
