“ *Rice krispie treats. When I was a kid, I fell in love with his rice krispie treats. They were so delicious. From then on, whenever he knew I was going to be there, he made sure there were rice krispie treats. Even this past fall when he came to visit at my mom's place. I once asked him what his secret was- extra marshmallows? Extra butter? He said he didn't have one but I'm now convinced it was extra love. Uncle Don was very special to me and will be greatly missed by me and many others! Sending lots of hugs and love to my Aunt Linda and cousins. I love you guys!*
