“ *This breaks my heart I worked with Doris at Saline Hospital for yrs. I love Doris so much. She always had a story or 2 for us all. She would laugh so hard telling it she always had to wipe the tears from laughing so hard. I know she's with our Father. He faith in God left an impression to say the least. I've been afraid to check this because I didn't want to know. Oh the love she had for Ed and all her family. That woman glowed with love for everyone. I will always remember her and think of her. I know she's missed terribly. God cover you all. 🙏🙏🙏🙏*

“ *In middle school and high school during the summer I was at the Marx house every day hanging out with Eddie Jr. Doris was always home and became like a second mother to me. Her laugh was infectious and she was always upbeat. And I loved her southern hospitality she always made me feel welcome and part of the family. You will be missed, I feel honored to have known you.*

“ I recall June being more of an aunt to me than a cousin. Many times she would come to our house to visit and talk with my mom, her Aunt Izelle and they would laugh and cry together. She loved a good joke and I loved her wonderful, contagious laugh! I know she is happy in Heaven reunited with her own mom&dad and her siblings, strolling the streets of gold, singing praises and enjoying the joys of Jesus. “ *She must have been a wonderful and Godly mother. I did not know her, but I've known her children enough to know they are most blessed by her obvious prayers and witness to the Lord Jesus in her children's lives. Allen and Connie have been a witness to the Lord in so very many ways and brought joy in living while going through trials. A mother never really dies, but lives on in the face of her children--I see her in both of you and I can hardly wait to meet her! We grieve, but never as those who have no hope--our hope is in you, dear sweet Lord Jesus! Thank you, dear Lord, for Doris' life and for her sweet witness of you during her time on this planet. Be with her family as they lay her to rest in your arms, awaiting that fantastic reunion in Glory!*
