“ Dorothy was my Mother's BFF for 70 years, they met in the 5th grade and have been good friends ever since. I did not know her well myself, I just knew that she was the lady that made my Mom so happy each time they spoke or spent time together. Dorothy was always so sweet and kind and she had a great laugh. She will be greatly missed by all who knew her, especially her friend Judy.

“ I am sad that my mother in law past away yesterday. I lost a great friend, mentor, mother in law, and a great listener. The past few months I have been amazed at the strength, and positive attitude she had facing cancer. I will ,miss her advice, and all the time we would have chosen to spend time with each other. I am forever grateful that she raised a wonderful son, who I got to marry. She taught him well. Dorothy not only made me feel loved and accepted from the first time we met, she taught me how to cook, how to understand her son, she taught me to love second hand stores, You never would have guessed she bought 90 percent of her clothes at second hand stores Dorothy loved animals , She had style, and I always thought she was so stylish! I laugh to myself when I look at my bridal shower pictures, because you can see I tried to copy that style! I love her sense of humor, and how she loved people. I am grateful that I know that we will see each other again in heaven, and I know that we will continue to be family forever. I am sure that she will help all of her loved ones as an angel. Even though I am so sad, she taught me to be grateful, so I will try and focus on that. I love you Dorothy. Thank you for being so good to me.

“ My Aunt Dorothy was an amazing person. Family was everything to her. She always made the effort to stay connected even when distance prevented us from seeing each other as often as we would have liked. I will miss her humor and the love and support shared whenever we spoke on the phone. Eternal rest grant unto her, O Lord.
