“ My sincere condolences to you Mary Ann, Pat, Jim, Steve, and the rest of the Doneth family and friends. Doug left us way too soon. I'm sorry I didn't see more of Doug in the years following high school. Life just kind of happened, and I moved out to CA, and we parted ways. As little kids, we grew up two doors from each other on Covington Drive. Thinking back, it's amazing we survived our childhood. Some of the things we used to do - OMG. One of my fondest memories as a kid was Little League and catching Doug's pitches. We both loved baseball, and spent hours and hours practicing. He threw a 'submariner' pitch that left batters wondering what just happened, and that pitch got us out of a lot of jams! Another fond memory was hanging out playing records, listening to Bob Seger, Elton John, Boston, The Beach Boys, The Eagles, etc. (aka teenage therapy...) Good times...

Doug Doneth, you will be missed. Gone too soon, rest in Peace. Godspeed...

“ Doug was one of the good guys for sure. Generous and kind, ready to help anyone at any time, friends, family or strangers. I learned to be more giving just by having known Doug. I will miss him dearly.

“ *Doug was a close friend early in life. As kids we spent countless hours swimming at his family’s pool and playing on the same baseball team. As a pitcher, Doug was famous for his sinker ball and many batters back in the day fell victim to this dreaded pitch. Doug was also a keen marimba player and was the featured musician in many musical events at Dicken Elementary School. As the youngest of seven boys, Doug grew up fast and was a fearless competitor. Although it’s been many many years since I’ve seen Doug, the times we spent together growing up are still vivid and serve as a warm reminder of the friend I once knew.*

“ To Mary Ann and family – please accept my humble condolences on the loss of Doug.
Doug was a special neighbor. I always enjoyed our garage and driveway conversations. His collection of Texaco memorabilia was stunning. Years ago, he kindly gave me a great deal on a couple of Texaco pieces that are treasured additions to my garage to this day. I always have and always will think of Doug when I admire them.
Godspeed, Doug.

“ My mouth fell open wide when I saw the news. I didn't know Doug that well. But a memory of mine was that his parents played euchre with my parents. He came over one time with them and we played pool in the basement. I am so sad to see that he has passed. My thoughts and prayers to his wife, kids and family. RIP Doug!
