“ Jack was a great memory for a very young man like myself back in the early 70's. He took me under his wing and always made sure he was there for me. He and his buddies were always on the sidelines and in the stands pulling for the Hornet teams and trying to relive their high school times.

Jack, Dan Bennett, and Big Daddy will make heaven a very interesting place.

Take care Jack, we all will miss you!

“ Jack was a friend to everyone that he met. If you were his friend, you had nothing to worry about cause Jack would have your back. As long as Jack was around , there was never a dull moment. He loved having fun and loved talking about his family. I enjoyed all the deer hunting trips that we made together at Lew Ellis's place up by Mio, Mich.

RIP good buddy and I will see you again someday.

“ To the Kuebler family, hold your precious memories of Jack near and dear to your heart. It will help to heal the hole he has left there. We will all miss his wicked sense of humor and his big heart. I know he will join plenty of people who have missed him, that have went before him.
