“ *I was Elaine's neighbor and a new wife and mother. She was a dear friend to me, loved my dog, Ben, and taught me a lot about how to be a good mom. She was sweet and kind and fun and I cherished her all the years since those days. I hope she knew how much we loved her.*

“ *Dear Sue,*

Many condolences on your mother's passing. I recall how wonderfully you turned out, always helpful, doing your utmost to further the Spirit of the moment, and working hard to be sure you could be at your best to help others through your singing, I imagine those wonderful qualities must have come from someplace! You, and we, have been very lucky and blessed to have those qualities passed down from her generation through yours and to your children's and maybe even their children's generations!

Something to Celebrate.

Love from Jackson,
