“ *My mother Ruth Koch was Elaine's roommate at the evangelical home for a number of years. We truly loved Elaine and she was the best roommate my mother could have had. Elaine was very sharp and watched out for my mother when she could not do it herself. We enjoyed talking to Elaine and would bring her treats like Frostie's and Root Beer Floats whenever we brought things for our mom. We often included Elaine in our family holiday activities at the home and she really enjoyed them. Elaine thoroughly enjoyed when our 3 grandchildren would visit. They would hug and spend time with her and they enjoyed her company also. I wish I could have gotten to the home more to see Elaine after my mom passed away, but time passes much to quickly. Elaine was a truly wonderful person who cared deeply for the people around her.*
